Prime Time Ten X Q10

Calved: 12/03/2019 JBAS: 6 HB No: NIMQ10

S: Mytty In Focus

S: A A R Ten X 7008 S A

D: A A R Lady Kelton 5551

Sire: KO 7008 Ten X M30

S: S A V Harvestor 0338

D: KO Dream K4

D: Vermont Dream Y301

Animal: Prime Time Ten X Q10

S: BT Equator 395M

S: KO 395M Equator E129

D: Comfort Hill Wilcoola X127

Dam: Prime Time Maiden J13

S: Highland Court Balran B71

D: Prime Time Maiden E50

D: Prime Time T21

Comments: Q10 is a moderate framed true to type Angus bull. His Mum J13 is exceptional and he has done her proud. Such an easy doing sound young bull that ticks every box. His phenotype and balanced EBV will see him popular, suitable for heifer and cow joinings.

Vaccinated: 3-Day, 7 in 1, Pestigard, Pinkeye

Comments: Q39 is a standout bull for the year! He oozes capacity, depth and volume, stands on great bone and is structurally sound. He is out of a cow that is perhaps our best – G30. His breedplan EBV's see him in the top 25% of the breed for growth to carcase EBVs and top 15% for net feed intake. This bull is highly recommended. Semen tested and ready for work.

Comments: Q4 is a long bodied well grown bull from a superb cow we showed successfully. He is by the world renowned sire 'Commando' and has a lovely skin type is structurally sound and moves so freely. His EBV's are low for birthweight so suitable for heifer and cow joinings. His milk EBV is in the top 20% of the breed, recommended you check this guy out! Semen tested and ready to get to work.
